REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest a braking system or means located on the second housing for the reasons given in applicant's response dated 10/29/04 and on page 1, lines 6-23 and page 2, lines 15. Additionally, the comments by the examiner in the final rejection dated 6/24/04 on page 4 in the response section apply equally well. In this case, there is no motivation or suggestion for placing a braking system or braking means on the second housing (the moveable guard) of Brundage. Such a configuration would not lead to successful operation of the instant invention of braking the blade during use.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Boyer D. Ashley whose telephone number is 703-308-1845. The examiner can normally be reached on Monday-Thursday 7:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Allan N. Shoap can be reached on 703-308-1082. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
